

STAHL CONSTRUCTION BEGINS RENOVATION OF KAPLAN UNIVERSITY BUILDING

Minneapolis, MN (8/19/2008) – Stahl Construction has been chosen to renovate facilities at Kaplan University in St. Paul, Minnesota.

The renovation consists of the remodeling of existing offices and classrooms. The 1,500 SF project will be completed later this month.

“This particular project is on an aggressive timeline, which is a challenge that Stahl is willing to take on,” said Clark Evans, project manager.

About Stahl Construction Company

Stahl Construction Company provides general contracting, construction management and design / build services to public and private clients. They specialize in education, mixed use, hospitality, office, retail, warehouse / industrial, and worship projects. Stahl strives to provide each client with great value for its construction dollar, accomplished in a spirit of cooperation, with an emphasis on building and maintaining relationships.
