STAHL CONSTRUCTION TO BUILD NEW CITY HALL IN RICHFIELD

Minneapolis, MN – February 11, 2009 – The City of Richfield awarded Stahl Construction Company the construction management contract for the City's new city hall, police, fire, and licensing facility. Construction on this 87,000-SF facility will commence this fall and continue over the next 17 months.

Stahl Construction will work along side Wold Architects & Engineers to complete the project. The two have completed nearly 20 projects together.

About Stahl Construction Company

Stahl Construction Company provides general contracting, construction management, and design / build services to public and private clients. They specialize in education, mixed use, hospitality, office, retail, warehouse / industrial, and worship projects. Stahl strives to provide each client with great value for its construction dollar, accomplished in a spirit of cooperation, with an emphasis on building and maintaining relationships.
